Psychosocial Associates, Inc.  
200-204 N. High Street Columbus Grove, OH  
PH: 419-659-5998

- “I am a cancer survivor and I am convinced that I have the best job in the world. I’m able to engage openly, honestly, and with compassion, with people struggling to feel better about themselves, their family and their future.”
- “People that I work with quickly learn that I very much value a sense of humor working with difficult situations. This allows for a certain amount of distance from very painful items while getting at the essence of the pain.”
- I very much enjoy the challenge of each and every new patient, in each and every new situation. Having been around the block I enjoy watching people getting better, it would be my pleasure to bring my combination of ‘book learning’, years of experience, sense of compassion, and sense of humor to work with you.”
- My individual services are available by appointment at Psychosocial Associates, Inc. practice in Columbus Grove, Ohio or in Findlay on Fridays in a group format with Barry, M. Beckman, Psy.D.”
- Dr. Austin graduated in 1974 from the University of California at Berkeley and has over thirty year of experience.
